

## **6<sup>th</sup> Undergraduate Research Symposium**

### **Faculty of Allied Health Sciences**

#### **AUTHOR GUIDELINE**

Abstracts for the Undergraduate Research Symposium 2024 should conform to the following requirements.

#### **ABSTRACT FORMAT**

**Title of the Abstract:** Font – Times New Roman, 14pt, Bold, Sentence case, Centered.

If scientific names are included in the title, they should be written in italics (lower case), and common or vernacular names should be included within parenthesis.

**Names of the Authors (s):** Font – Times New Roman, 11pt, Regular, Justified

Authors should be listed using the entire surname followed by initial(s). Omit titles, degrees, and academic appointments and do not separate initials with punctuation.

e.g. Thabotharan D

The corresponding author should be indicated with an asterisk (\*) at the end of the name.

**Author (s) affiliation:** Font -Times New Roman, 11pt, Italics, Centered

If the authors are from several institutes/departments, they should be numbered using a superscript at the end of the name of each author and the numbers should be corresponded to the institutional address of the respective authors.

**Corresponding Author's e-mail:** Font- Times New Roman, 10 pt, Italics, Centered

**Abstract Layout:** Font – Times New Roman, 12pt, Single space

Abstract should not exceed 300 words excluding the title, author details and keywords. The body of the abstract should be organized as outlined below.

- Introduction & objectives
- Methodology
- Results
- Conclusions
- Keywords (3-5 keywords)

Scientific names should be italicized and International code of Nomenclatures should be followed.

**Abstracts not conforming to the above instructions will be rejected.** Accepted abstracts will be published in the proceedings. **Please submit the duly completed declaration form along with your abstract. Abstracts without declaration forms will not be accepted.**

**Abstract submission deadline– 17/01/2024**

## Format of abstract

### Prevalence and associated factors of soil transmitted helminthes infestation
